

A diagram showing a right-angled triangle representing a ramp. The vertical side is labeled 3.60 and the horizontal side is labeled 2.60. The hypotenuse represents the ramp surface.

SEZIONE B-B

Diagram illustrating the cross-section B-B of a building structure. The section shows a sloped roof and a vertical wall. The vertical dimensions are indicated by blue arrows and text:

- On the left, a vertical dimension of 2.54 is shown, representing the height from the ground level to the eave of the roof.
- On the right, a vertical dimension of 3.79 is shown, representing the height from the ground level to the peak of the roof.
